

REMEMBER WHO

U Are

Remember you are right where you are, when you are, how you are, because GOD NEEDS you to be! Stand firm in the roots and harvest the fruit. The ultimate assignment is from him and its to follow his path for you! U can do this!

- My strength is greater than my struggles.
- Tough days don't last, tough people do.
- Doubt kills more dreams than failure ever will.
- Old keys don't open new doors. Have faith to switch it up.
- Nothing changes if nothing changes!
- Even a bad day is only 24 hrs.
- Growth is uncomfortable but so is staying in a place you've outgrown.
